

NEW ROCKET7
Hammer drill bit

SPRING / SUMMER
2024

PROJAHN

WERKZEUGE WIE DU

CREATED FOR QUALITY AND SAFETY IN EVERYDAY USE.

Your quality demands are our demands:

We manufacture tools for you that impress in terms of function, price and performance. Precise, durable and safe - tools made for everyday use. Because we know: Good work can only be done with good tools.

STRONG

LIKE YOU.

Discover the new ROCKET 7:

Strong, persistent, reliable. Drill in reinforced concrete and highly abrasive materials such as natural stone with the ROCKET 7. Fast and with maximum lifetime.

ROCKET 
HAMMER DRILL BIT

ROCKET7

The SPECIALIST for reinforced concrete 

ROTARY HAMMER DRILL BITS WITH 4 CUTTING EDGES SDS-PLUS

Maximum lifetime

- Solid carbide head for optimal resistance at very high temperatures - therefore perfectly suited for frequent drilling in reinforcement
- Extremely strong head connection due to an innovative diffusion welding process - therefore maximum safety against head breakages

Maximum security

- Wear marks for identifying the wear limit in accordance with the PGM
- Reinforcement chamfers prevent jamming in case of reinforcement hits
- 4-spiral helix geometry for lower vibrations to protect people and machine

Extremely durable

- 4-spiral helix geometry for an evenly spread wear
- Drill bit body made of high-quality tempered steel [34CrNiMo6]

Range of application

-  - Reinforced concrete
-  - Concrete
-  - Natural stone
-  - Masonry

Characteristics

-  - Durable
-  - Powerful
-  - Precise
-  - Low vibration

STONE

ROCKET5

The ALLROUNDER

HAMMER DRILL BITS WITH 4 CUTTING EDGES SDS-PLUS AND SDS-MAX

Maximum precision

- 5 Crushers use impact and torsion to create precise drill holes in reinforced concrete
- Inserted carbide cross plate for an exact centering on the drill bit body
- 4-spiral helix geometry for a high running stability and optimal guidance in the drill hole
- Pilot centering tip for precise spot-drilling without slipping off

Maximum security

- Wear marks for identifying the wear limit in accordance with the PGM
- Reinforcement chamfers prevent jamming in case of reinforcement hits
- 4-spiral helix geometry for lower vibrations to protect people and machine

Extremely durable

- 4-spiral helix geometry for an evenly spread wear
- Drill bit body made of high-quality tempered steel [34CrNiMo6]

Range of application

ROCKET3

The SPRINTER

ROTARY HAMMER DRILL BITS WITH 2 CUTTING EDGES SDS-PLUS

Maximum speed

- 3 crushers for extremely fast material destruction
- 2-spiral helix geometry for a rapid removal of the drilling dust

Maximum security

- Wear marks for identifying the wear limit in accordance with the PGM
- Innovative geometry of the carbide plate for an exact fit on the drill bit body
- Protruding centering tip for precise spot-drilling without slipping off

Extremely durable

- Wide spiral backs and core-reinforced helix for an even wear and high breaking stability
- Drill bit body made of high-quality tempered steel [34CrNiMo6]

Range of application

- Concrete

- Masonry

- Natural stone

- Sand-lime brick

Characteristics

- Fast

- Powerful

- Precise

TOOLS LIKE YOU:

Our tools around the drill hole are for you. Functionality and precision made into tools that are just like you.

About us:

PROJAHN is an owner-managed company for professional tools. For more than 50 years, we have been developing, producing and procuring what professional craftsmen need for their projects.

Our product range consists of over 10,000 items relating to precision and hand tools for drilling and driving. Our hammer drill bits in particular, which we produce ourselves, have a reputation for the highest quality and reliability.

We have our roots in Germany, but we always had an international focus. Over 3,000 dealers and thousands of professionals from trade and industry around the world rely on PROJAHN products. We stand for pioneering services: Application- and future-orientated products, individual support and comprehensive services.

All our products are geared towards the requirements of professional craftsmen, their tasks and challenges. We know that good tools contribute to good work: they increase performance and make work more fun.

At our headquarters in Dietzenbach near Frankfurt am Main, we are a team of over 80 employees. Our efficient logistics centre is also located there. From here, we deliver tools all over the world. Within Germany, we guarantee fast delivery within 24 hours.

PROJAHN stands for quality, service, efficiency and innovation. Our dedicated employees are our best tools. They make PROJAHN into PROJAHN.

If you stop improving, you stop being good. What can we do better? We are looking forward to your feedback: feedback@projahn.de
