SPRAY

Silicone Free Anti-Adhesive:

Suitable for manufacturing, screen printing, and paper industry. Ideal for plastic and rubber molding in general. It permits plastic products to be painted, printed, glued or sealed without problem. The product also provides good lubricant and detaching properties suited for the printing, papering and binding sectors. It promotes the smooth sliding of paper, it does not affect the adhesion of rubber and it does not create residue/deposits.

Available in one format:
- I251 – 400 ml spray can
