

Preservative spray for wood 400 ml (I276)

Product designed to preserve any wooden surface such as furniture, doors, windows, fixtures, attics or flooring.

PRESERVATIVE SPRAY FOR WOOD - This product is designed to preserve any wooden surface (Such as furniture, doors, windows, fixtures, or floors). This special formulation will not stain or damage wooden surfaces. If applied to new wood, paint may be applied over the surface. It penetrates deeply, ensuring the wood has a long-lasting resistance to external agents. If necessary, use the straw directly in the cracks and/or holes of the wood to be treated.

Technical Specifications:

Quantity	400ml
Barcode	EAN: 8034108893228
Box / Case	12 pcs
Aspect	Spray can, containing pressurized liquid
Color	Transparent
Odor	Typical of solvent
Relative density	at 20°C 0,68 ÷ 0,72 g/ml
Flash point	Und. 0° C/ 32 °F extremely flammable
Pressure at 20°C	3/4 bar
Solubility	Insoluble in water Soluble in most organic solvents
Compatibility	Any type of wood

HOW TO USE:

If possible spray in a wide, open and ventilated area. Shake the can well and test before proceeding. Use the appropriate straw directly in the cracks and / or holes of the wood, this will penetrate more efficiently. After treatment, wrap the part with a plastic cloth and keep it sealed for several days.

MODALITY OF STORAGE

Before using: stock the product in a dry location and don't stock it with a temperature under 0°C and over 45°C, after the use, keep containers closed. In the original package, the product can be conserved for 24 months (warranty). The product doesn't expire.

After the first usage: conserve in a fresh and dry location, away from hot spring. Keep out of reach of children.
