Your Factory of Aerosol

SPRAY

Fluid Cream White:

It's a concentrated fluid cream with high cleaning power that removes all kinds of obstinate dirt. Its formula contains natural vegetable surfactants from renewable sources and vegetable soaps. The action of the abrasive micro granules results in a deeper cleaning, while its natural emollients protect the epidermis. Leaves your hands soft and pleasantly scented.

Available in one format:

- P319 – 5000 ml can

Technical Specifications:

Barcode	EAN: 8034108892559
Quantity	5 L
Box / Case	2 Pz.
Aspect	Plastic tank with dispenser
Color	White
Odour	Scented fragrance
Relative density	at 20°C 1,03 g/ml
Biodegradability	> 60% BOD/COD, > 70 % DOC.
PH	8,5 +/- 0,5
Water solubilità	>90%
Freezing point	Around 0°C
Flash point	Not flammable
