SPRAY

Fabrics sanitizer:

The fabric sanitizer is based on 90% pure isopropyl alcohol.

It is ideal for both synthetic and natural fabrics such as: cotton, wool, TNT, polyester, alcantara, velvet, suede, silk and satin.

The disinfectant evaporates quickly, can be used repeatedly several times a day without damaging the tissues.

It does not stain fabrics and does not require rinsing. It is colorless and does not contain perfumes.

Available in one format:

- P320 – 400 ml spray can
