SPRAY

Marine Unblocking Multipurpose:

A multipurpose product: it lubricates, protects, and releases. It is water-repellent and corrosion preventive. Excellent lubricant, able to penetrate rusted bolts, fittings, chains, etc, in depth and release them. It protects parts subject to exposed water-pins, levers, and outboard motor parts. It meets the nautical market requirements and thanks to its high waterproofing/water-repellent capacities it's ideal for maintenance on any machine part.

Available in one format:

- S153 – 400 ml spray can
