

## Photoluminescent paint (V408)

**PHOTOLUMINESCENT PAINT:** photoluminescent paint that activates and glows in the dark. After absorbing a sufficient amount of light, it releases a green-yellow color in the dark, giving the objects on which it is applied a magical aura. The color stands out on white surfaces.

The duration varies according to the absorption of light.

### Technical Specifications:

Quantity	400 ml
Packaging	12 Pcs.
Aspect	Cylinder containing liquid under pressure
Color	Transparent (tending to yellow/green)
Smell	Solvent characteristic
Relative density	at 20°C 0,78 ÷ 0,82 g/ml
Flash point	Inf. 0° C extremely flammable
Pressure at 20°C	5/7 bar
Fields of application	Wood, metal, ceramic, plastic,
Drying time t=20°C:	Out of dust 10 minutes
	Dry to the touch 15 minutes
	Dry in full depth 24 hours
Surrender	1-2 sqm
<b>N.B.</b>	<b>After the first application, do not clean the surface for 7 days.</b>

### HOW TO USE:

- Shake the cylinder vigorously for at least 1 minute, until you feel the inner marbles move freely. It is also advisable to occasionally shake the cylinder even during use;
  - Carefully clean the surface before application;
  - Carry out a test in a hidden area to verify its compatibility with the surface to be painted.
  - Apply a light first coat to improve coverage and adhesion and thus reduce the possibility of dripping.
- Application distance about 20 cm;
- After a few moments apply a second horizontal coat followed immediately by a third vertical coat;
  - After use, it is advisable to spray for 2/3 seconds with the cylinder upside down until the product has completely escaped, to avoid the filling of the dispenser;
  - After 24 h, proceed with the normal use of the painted surface.

### STORAGE MODE

Before use: Keep the product in a dry place and do not store it at temperatures below 0°C and above 45 ° C, after use keep the containers tightly closed. If stored in the original packaging the product can be stored for 24 months (warranty). The product is not subject to expiration.

After first use: Store in a cool, dry place, away from heat sources. Keep out of reach of children.
